

## **Appendix**

**Staying alive and ahead of the Grim Reaper: important public health information by Bee Gees  
available at [www.oldies.com/artist-songs/The-Bee-Gees.html](http://www.oldies.com/artist-songs/The-Bee-Gees.html)**

Well you can tell by the speed that I can walk

My longevity is the stuff of talk

Livin' large, I stay on top

I'll keep up the pace so I won't drop

And now I'm older, it's ok

I can still keep Death away

Now that I do understand

how to escape the Reaper man

(chorus)

Whether diabetic, frail or cachectic,

You're stayin alive, stayin alive

Fast, quick and shakin

the Reaper we're escaping

and we're stayin alive, stayin alive

Ah, ha, ha, ha, stayin' alive, stayin' alive

Ah, ha, ha, ha, stayin' alive

Well I don't go slow, I really fly

Angel of Death, kiss you goodbye

Got the wings of heaven on my shoes,

I'm fast walkin man and I just can't lose

An now I'm older, it's ok  
I'll live to see another day  
Now that I do understand  
how to escape the Reaper man  
(chorus)

When walkin somewhere  
I keep my pace up  
I keep my pace up, yeah  
I'm walkin somewhere  
Keepin my pace up  
Keepin my pace up, yeah  
Stayin' alive

Well you can tell  
by the speed that I can walk  
My longevity  
is the stuff of talk  
Livin' large, I stay on top  
I'll keep up the pace  
so I won't drop

And now I'm older, it's ok  
I can still keep Death away

Now that I do understand

how to escape the Reaper man

(chorus)

I'm walkin somewhere

Keepin my pace up

Keepin my pace up, yeah

Stayin' alive
